

A surreal scene featuring three people in a desert landscape under a starry night sky. In the background, a large, textured planet or moon is visible. The people are dressed in primitive, earthy clothing. The woman in the foreground is wearing a long, light-colored, textured dress and a black headband. The man behind her is shirtless and wearing a black necklace. A third person is visible behind the man. The scene is set on a sand dune with some green plants. The overall atmosphere is mysterious and otherworldly.

Embark on a Soulful Journey.

Dive into the depths of musical exploration. ChrisTala from Germany and Ayam from Israel craft a mesmerizing fusion of ‚Neo Soul-World‘ vibrations. They weave together Blues soundscapes, polyphonic Soul vocal layers, groovy beat-boxing, and shamanic rhythms.

Music as a Universal Bridge.

Guided by a shared vision, their music transcends borders. It connects hearts and minds across the diverse tapestry of humanity. Each note sows seeds of self-love, nurturing a deeper sense of care for one another and the universe we call home.

A Fusion of Tradition and Emotion.

Ayam's Israeli roots entwine seamlessly with ChrisTala's German heritage. Together, they create a tapestry woven with threads of tradition and emotion. They craft a cosmopolitical narrative, unearthing a musical lexicon that confronts both shadows and light. This extraordinary encounter births a sound that speaks to the depths of the human experience, painting vivid stories of mystery and revelation.

Ancient Echoes, Modern Beats.

Ancient shamanic drums and the resonant monochord interlace with Rock and Soul elements. They craft a sonic signature that resonates with the soul. Their music is a tapestry of hypnotic rhythms, dreamy harmonies, and vulnerable vocals. It touches the hearts of a growing audience. With the debut album „Shards of Light“ (2021), Ayam and ChrisTala offer a raw and honest portrait of an inner world. Shadows dance with hope, and sanity harmonizes with the sublime.

The duo has gained recognition with their heart-touching music. They've performed at events like New Healing, Yoga United, Xperience Festival, Lieder Laushen, and Agape Zoe. Through workshops and seminars, they provide a space for people to explore, expand, and express their unique voice.
